The best of the brightness will be towards the far west.

Temperatures of 16C in London and Cardiff, 14C in Manchester, Belfast and Edinburgh.

Largely dry but rather cloudy on Monday with just few spots of rain in places. Lighter winds.

Temperatures of 16C in London, 15C in Cardiff, 13C in Manchester, 11C in Belfast and 10C in Edinburgh.

SHOCKER: Clown Terry during his disturbing 'croc' act

Fury as clown brings CROC to kids' party

EVERYONE knows that clowns are utterly terrifying and that behind that bulbous red nose and make-up lurks a soul tortured by the blackest darkness.

But clown Terry Coco took terror to a whole new level when he turned up to a five-year-old's birthday bash with a CROCODILE!

Needless to say, mayhem ensued with mums and tots screaming and crying and wetting themselves as Coco – real name Terry Watson – lurched in with the man-eating reptile.

Raining

Mum Carol Hoole, who organised the party for daughter Rihanna at home in Splint, Cumbria, said: "It was raining so we had the party in the garage – which is technically outside so within the lockdown rules – and then the clown turns up.

"I think he was drunk. He reached into his bag and I thought he was going to pull out a balloon or summat but no – a sodding crocodile.

"All the other mums thought the croc were my idea and they've all been posting 'KILL YOURSELF' on Facebook. It's dead embarrassing."

Even more embarrassing was the arrival of the local police constable, who instead of arresting Coco for his crocodile antics, nicked 29-year-old Carol for "hosting an illegal gathering".

Now out on police bail, divorced mum-of-four Carol said: "When I catch up with that bloody clown, I'll tan his arse."

Terry Watson, 37, was not indoors at his run-down house in Whitehaven when our reporter called yesterday. Neighbours said he was visiting relatives in Cleator Moor.

Banderas boost for Costa del Hols

MOVIE hunk Antonio Banderas is fronting a new campaign to get tourists to return to TORREMOLINOS!

Banderas (*left*), 59, is to front a campaign to woo holidaymakers back to the Costa del Sol, where the boozy resort is found.

The local council is planning to invest around two million euros in the campaign in a bid to boost visitor numbers this summer.

But last week Spain's tourism minister said that Brits – who make a huge percentage of visitors to the Costa del Sol – would not be welcome in the country as we're still too riddled with coronavirus.

MONDAY

THOUSANDS of children return to schools in England after three months of coronavirus lockdown.

Although parents are chuffed at being able to palm their kids off for the day again, teachers are less than happy and say that wearing masks doesn't help to reduce the danger.

They're not kidding. It'll take more than a strip of cotton to reduce the toxic threat… of their coffee breath.

TUESDAY

CELEBRITIES across the world show their support for the "Black Lives Matter" movement by refusing to post ANYTHING on Twitter, Instagram or any other social media platform.

And it worked!

Apparently the Ku Klux Klan hung up their robes after realising they might have to wait a full 24 hours to discover what Joe Swash had for his tea.

WEDNESDAY

THE Queen makes her first appearance since the lockdown as she's spotted riding a 14-year-old in the grounds of Balmoral Castle.

Alright, steady on… it was a 14-year-old HORSE.

Who do you think she is? Prince Andrew?

THURSDAY

THE Duchess of Sussex releases an emotional video about racial tension currently gripping the US.

Saint Meghan said she's experienced the horrors of intolerance first hand but insists we can overcome prejudice if we look at the person beneath the colour.

For instance, she probably never saw herself banging a ginger. Then she found a famous one who owned several castles, and she found the inner strength to change her mind.

FRIDAY

A WELL-known lingerie firm goes into administration.

We always assumed Victoria's Secret would be something rather more saucy than "we owe several million pounds to HMRC and can no longer afford to pay our business rates".

Still, it's probably not the first time they struggled to support their assets.

SATURDAY

WORRYING news for North West England as the so-called "R" number for coronavirus rises above 1.

That's the level at which the disease starts to spread like wildfire.

And it's called that because some unnamed bloke in Manchester says he's already given it to "R Debbie, R Gary, R Mandy and R kid".

Sunday Sport babe Verena pops up in ITV Bradley Walsh birthday tribute

STREET STARS: Verena and Brad played a couple on the cobbles

BREAST IN THE BUSINESS: Bradley (*above*) was subject of a TV special and (*left*) *Sport* legend Verena as readers will remember her

By GARY DORAN
gary@sundaysport.co.uk

SHARP-EYED *Sunday Sport* fans blocked our switchboard last week, all asking one question: "Was that HER?"

And today we can answer the question… yes it was!

Millions tuned in on Wednesday night when ITV celebrated the life and career of Bradley Walsh in honour of his 60th birthday.

The legendary TV presenter, actor and singer was the subject of a special one-off, *Bradley Walsh: Happy 60th Birthday*.

The programme was screened on Wednesday although his birthday was actually on Thursday, June 4.

And one segment of the show celebrated his role in *Coronation Street*, where Brad played loveable Danny Baldwin.

In Brad's last scenes on the soap, he was joined by *Sunday Sport* model Verena Twigg, who played Danny's girlfriend.

Sport reader John King rang us to ask: "Was that Verena Twigg I saw on the Bradley Walsh show? I loved her – she was my fave model."

Well, John, it WAS Verena!

And to celebrate, here are some snaps as you'll remember her best.

Twinkle

A pal of the model said: "Verena had a great time on set with Bradley. He was so funny and a real gent with a twinkle in his eye."

The tribute show was narrated by Jason Manford – who has his own *Sunday Sport* links, after having performed at our Christmas party when he was an up-and-coming comic.

The hour long ITV show offered viewers an exclusive look at Walsh's varied career – from stand-up comedy and telly presenting, to quiz shows and serious acting.

Bradley's TV appearances started in 1987 on LWT's *6 O'Clock Show* alongside Danny Baker.

He went on to present comedy shows *You Must Be Joking* and *Only Joking* before performing at The Royal Variety Show and Live at the London Palladium.

Bradley spent two-and-half years on the cobbles in *Coronation Street* and more recently, since 2009, he's been host of smash-hit quiz series *The Chase*, as well as appearing in *Law & Order: UK*.

Graveyard flasher in jail dodge

A SERIAL graveyard flasher who terrified women has avoided going back to jail for breaching a court order.

Pervert Shane Turner (*above*), 49, was locked up after a brave mother caught him on mobile phone footage.

She spotted him naked from the waist down in Exeter at 3am one morning, asking: "Excuse me, mate, why do you keep walking around naked?"

Jailed for 10 months four years ago, the sicko was handed a Sexual Harm Prevention Order to curb his antics.

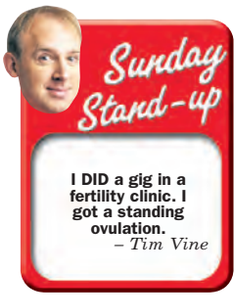
But Turner, of Mary Tavy near Tavistock, has now pleaded guilty to breaching one of its terms on May 1.

He admitted to Exeter magistrates last month to having a video or audio recording device without informing police.

Turner was released on bail for a probation report to be prepared.

Magistrates have now handed him an eight-week 7pm and 7am curfew.

He was also ordered to pay £95 victim surcharge and £85 costs.



Protest soldiers hit by lightning

TWO soldiers deployed to patrol Washington DC amid widespread protests have been struck down by lightning.

They were near to Lafayette Square in the troubled city when a bolt hit the area close by and they were badly hurt.

They were rushed to hospital with serious injures, but should survive.

Earlier in the week, police forcefully cleared crowds protesting over the cop killing of black man George Floyd out of the square before President Trump posed with a bible in front of nearby St. John's Episcopal Church.

Trump said on Wednesday that he did not know cops would use smoke canisters to push back protesters.

Churchmen think that God may have been aiming at Donald Trump with the lightning, but missed.

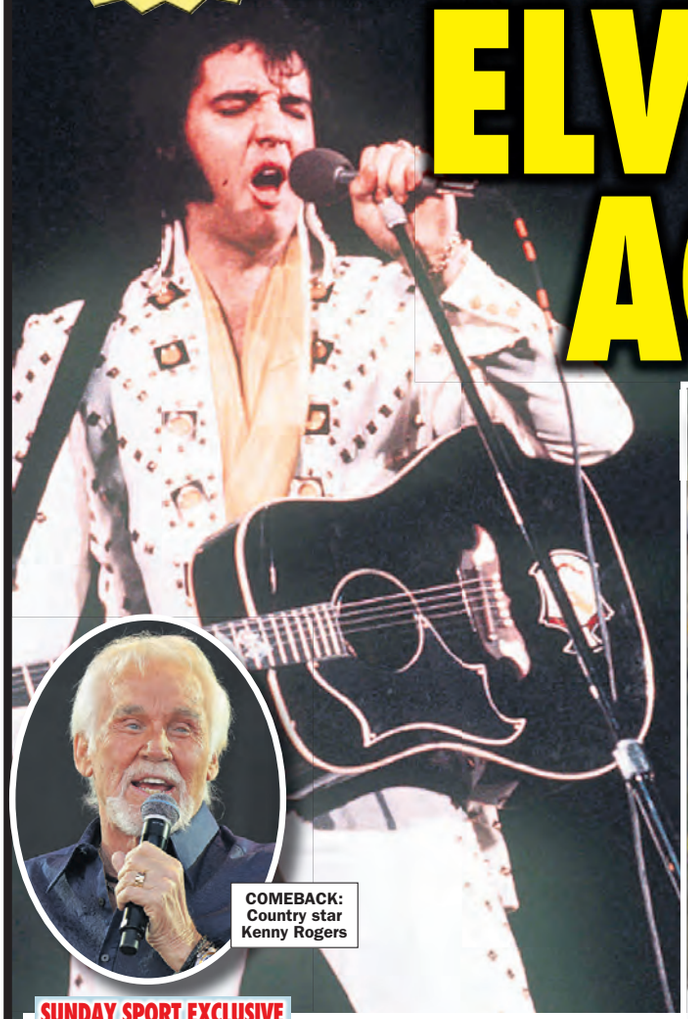
KING CONTRACTED COVID-19 AS HE PLANNED COMEBACK WITH KENNY ROGERS

ELVIS DEAD AGED 85!



COMEBACK: Country star Kenny Rogers

LAST PHOTO

TREASURED: Elvis on his mobo kart

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK in Memphis, Tennessee

ELVIS Presley, the King of rock and roll, has died from coronavirus complications, aged 85.

Elvis passed away quietly in an isolation unit at the Journey's End Senior Living complex, just five miles from his beloved Gracelands mansion near Memphis, Tennessee.

The King moved to the home in 2006 following many years living in hiding after he had sensationally faked his own death on August 16, 1977.

The home's manager, Buck Smithson, said last night: "For 14 years, we've been home to the biggest secret in the world.

"Now that he's gone, we're free to say that Elvis Presley lived out his final years here, at Journey's End Senior Living complex.

Mugs

"As a kind of tribute to the King, we've produced some commemorative 'Elvis Lives Here' coffee mugs and T-shirts which are available via mail order.

"And if anyone would like to visit, to pay tribute to Elvis and to see his room, we are offering an exclusive 'Elvis Experience' at just $59.99 – booking is available on our website.

"Elvis was a gentleman, a real Southern gentleman, and everyone here will miss him.

"He insisted that everyone called him Aaron – his second name – because, as he said to me many, many times, 'Elvis is dead, uh-huh!'

"We done respected his wishes, right to the very end."

Buck also revealed that Elvis was planning one last show in Vegas when he fell ill.

He said: "Kenny Rogers was one of the few people in the industry who knew for sure that Elvis was still alive, and he would come to visit.

"The pair would sit up late, talking about the old days, and they got it into their heads they'd do a show together, one last outing. In Vegas, naturally.

"But then Kenny passed away and soon after that Elvis developed a cough. He clung on for a few weeks but it was clear he'd done caught COVID-19.

"His last words to me were, 'Buck… uurgh!' and then he was gone."

In his later years, Elvis developed an interest in politics and was a keen supporter of President Trump.

Buck recalled: "I'd catch him chuckling to himself, 'Grab 'em by the pussy… uh-huh!'

"I even got a photo of him wearing a 'Make America Great Again' hat as he rode his mobility scooter.

"I treasure that photo and, incidentally, it's available on a £29.99 commemorative poster which comes with a certificate of authenticity."

Crowds

Last night crowds were gathering outside Journey's End, many holding candles and some in tears.

Elvis fan Clarice Winstanley from Mobile, Alabama, said: "I done knew that Elvis ain't died back in 1977.

"Now he's really gone and my heart's done broken."

Makeup boss Kylie is highest paid celeb

FORBES has named Kylie Jenner the world's highest-paid celebrity – a week after accusing her of attempting to inflate her net worth.

The mag stripped the makeup entrepreneur of her billionaire status and alleged she'd misled over the value of her Kylie Cosmetics business.

Jenner, 22 (*below*), responded in a series of tweets, saying Forbes was guilty of "inaccurate statements and unproven assumptions".

However, whether she was guilty or not of trying to deceive the magazine, it has now named her the best-paid celebrity on the planet, with annual earnings of around £468 million.

Jenner sold 51% of her Kylie Cosmetics company to Coty in a deal valued at £1bn early this year.

Her brother-in-law, rap star Kanye West, came in second as he, according to Forbes, took home £135m.

Mum's the word for cheeky Leigh-Anne!

LITTLE Mix scorcher Leigh-Anne Pinnock has revealed she was told off by her mum after she posted a sizzling TOPLESS snap of herself on Instagram last week.

The newly-engaged singer, 28 (*below*), sent temperatures soaring as she showed off her peachy posterior in a pair of mint green high-rise bikini bottoms in the sultry image.

But while her fans were clearly delighted with the image, her mother certainly wasn't, with the star stating: "Now I feel really bad."

The *Salute* hitmaker added: "I posted the picture and my mum was like, 'Leigh-Anne! A bit much!'"

Leigh-Anne's older sister also gave her a telling-off over the racy snap.

The brunette babe explained: "Now I feel really bad. But at the same time I feel people have done a lot worse."

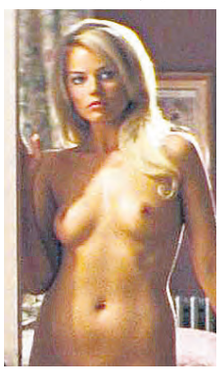
It came as Leanne stripped down to her bikini bottoms as she plugged her swimwear line, In a Seashell, during lockdown.

Margot's the hardest working girl on film

MARGOT Robbie is Hollywood's hardest working actress – and that's OFFICIAL.

In the past five years, the *Birds of Prey* star, 29, has starred in 15 feature length films, had a cameo in two movies, worked exclusively as a producer on one flick and appeared in a short.

The Australian star's most notable roles have been in *Once Upon a Time in Hollywood*, *Bombshell*, *Mary Queen of Scots* and *I, Tonya*.



Margot also featured in *Suicide Squad*, *The Legend of Tarzan*, *Whiskey Tango Foxtrot* and *Goodbye Christopher Robin*, among others.

She even cameoed as herself in the 2016 biographical comedy *The Big Short*.

Margot came fifth overall in the list of hardest working actors (male and female), as she was beaten by Nicolas Cage, Samuel L. Jackson, Brad Pitt and Will Ferrell.

But the 2013 flick *The Wolf of Wall Street* remains the only one in which she's revealed her neatly-trimmed mimsy.

'Wolverine' tried to kill protesters

A MAN caught on camera chasing down Black Lives Matter demonstrators with a Wolverine-type CLAW has been charged with attempted murder.

Frank Cavalluzzi, 54 (*above*), was filmed chasing protesters while wearing a glove with four long, serrated-edged blades – before getting into his SUV, driving onto the pavement and trying to mow them down.

"I will kill you," he allegedly yelled at the protesters, according to prosecutors.

Cavalluzzi, whom police sources called a known troublemaker in the area, was arrested.

He was later arraigned on a list of charges, including attempted murder, attempted assault, reckless endangerment, menacing, endangering the welfare of a child and criminal possession of a weapon.

"In a burst of anger and rage, the defendant allegedly sought to kill protesters who were peacefully assembled and exercising their right to free speech," Queens District Attorney Melinda Katz said in a statement.

DONALD TRUMP WORE A NAPPY IN WHITE HOUSE BUNKER

LEADER: Trump

HOW HE MIGHT HAVE LOOKED

ODOUR: White House staff reported a 'noxious' smell

President was 'too scared' to go to loo during rioting

SUNDAY SPORT EXCLUSIVE

By BRAD CHADWICK in Washington DC

WHEN rioters started shouting outside the White House last week, President Trump knew just what to do...

He fled to the nuclear bomb-proof shelter deep in the bowels of Washington DC.

And while cops fought to keep protesters – angry at the killing of George Floyd in Minneapolis – away from the historic mansion, Trump refused to come out of his bolt-hole.

And today *Sunday Sport* can report Mr Trump pulled on adult-sized NAPPIES so he would not have to leave the bunker's inner sanctum to use the lavatory.

Chamber

A White House source said: "The loo in the presidential bunker is just outside the main chamber. But the President didn't want to leave that secure part of the bunker complex.

"He ordered a Secret Service agent to go fetch him some adult diapers – which he put on in front of everyone.

"The President then said he wasn't leaving the commend room for 'operational reasons' and needed to see the situation screens at all times.

"But the truth was he was too scared even to go to the toilet – even though there was 200ft of rock between him and the protesters above."

It is not known for certain if the president "used" his nappy but several staffers reported a "noxious odour".

Trump later said he'd only been in the bunker to "inspect" it and was not hiding from the mob.

SHITSTORM: Angry Yanks in Washington

Bella's a sheer beauty!

BELLA Hadid looks red hot in a new Instagram post.

The supermodel, 23, went without a bra underneath a sheer white mini-dress that showed off her lovely legs as she posed.

In a look straight from the Swinging 60s, she slipped into an electric green coat with matching sunglasses and added to the effect with a throwback hairstyle.

A fan said: "My left leg. I'd give my left leg just for a little tweak of that nipple – and maybe a stroke of her soft, soft pubis. Mmmmmmm..."

'Corpse' soaked up sun in the BUFF-ers

POLICE feared the worst when they had a call about a suspected body near train tracks.

But when officers arrived at the location, it wasn't a sinister crime scene they were faced with at all.

It was a very much alive – and completely NAKED – sunbather.

British Transport Police in Essex wrote on Twitter: "Yesterday we had a call about a body within the railway boundary.

"Railway workers could only see a pair of feet but reported no signs of life.

"Rushing to the scene officers found a man in his late 30s enjoying some nude sunbathing."

THE VOICE OF YOUR BRITAIN

US president brings shame to his nation

IN 1968, after graduating from college, Donald Trump was called up for service in Vietnam.

Citing a previously-undiagnosed deformity of the feet, Trump – who had been a strapping great college athlete – was declared "unfit for service".

Thus, he dodged a murderous and controversial conflict that killed 58,000 of his countrymen.

Last week, when a handful of hooligans waved sticks and tossed brickbats in the vicinity of the fortress that is the modern White House, the Commander-in-Chief of the U.S. armed forces scuttled to a hole in the ground where he cowered like a burrowing rodent.

This, from the man who squats in the office once occupied by George Washington, Ulysses S. Grant and Dwight D. Eisenhower.

Washington won the United States' freedom.

Grant defended the United States from rebellion.

Eisenhower masterminded D-Day and helped Britain defeat Nazism.

Donald Trump "tweets".

Now we learn that the President wore NAPPIES in the White House bunker as he was too afraid even to scurry to the toilet during the crisis.

The Leader of the Free World, sitting in his own filth while his country burns!

Here in the United Kingdom, we weep for what has become of the United States – the most promising of our former colonies.

The great country deserves a better leader.

The freedom-loving peoples of the world deserve a better leader.

The President of the United States is much-mocked for being an inhuman shade of orange.

But now we know this ludicrous, draft-dodging poltroon is also has a bright YELLOW spine!

Long lived the King

TODAY we bring some of the saddest news we've ever had to report.

Elvis, the King of Rock and Roll is dead – carried off by COVID-19 at the age of 85.

Mark this day.

It is surely the Day The Music Died.

NEWSNIGHT BABE EMILY TARGETED BY SICK WEB NERDS

PRANK MATERIAL: Tech creeps have grafted Ms Maitlis's head onto other babes' bare bodies

JAIL THOSE VILE FAKING FIENDS

BIAS BLAST: Emily Maitlis spoke out on BBC

VICTIMS: Dominic Cummings and Ms Maitlis in fake pic

IT was, perhaps, one of the worst lapses of editorial judgements that *Newsnight* had ever made...

In an introduction to the BBC news show last month, presenter Emily Maitlis made one of the most biased statements ever by a supposedly impartial conduit of the truth.

Referring to the Dominic Cummings affair, Maitlis opined that Boris Johnson's senior adviser had "broken the rules" when he travelled from London to Durham during lockdown and "the country can see that, and it's shocked the Government cannot".

By SIMON DEAN
simon@sundaysport.co.uk

Cue 40,000 complaints and the sound of BBC founder Lord Reith spinning in his grave.

Maitlis was rapped by bosses for her monologue but that was NOTHING compared to the reaction in the darker corners of the internet.

Because almost as she spoke the words, online creeps using space-age technology conjured up vile FAKE nude shots of the 49-year-old.

A source close to Emily fumed: "Whoever did this deserves to be behind bars. Dark forces are at work. Mark my words."

Homeless girl strolled naked to keep cool

A NAKED woman was nicked after cops found her wandering about on a busy road wearing just a pair of trainers.

When police arrived on the scene, bystanders pointed out 33-year-old Irma Delarosa (*above*).

Officers caught up with her and put a blue plastic garment over her body to "cover her private parts."

She told officers she was walking naked as she was hot and was just trying to cool off, adding that she had come from a nearby Salvation Army HQ and "felt fine".

Officers in Ocala, Florida, noted that she "was able to have a coherent conversation and did not appear to be impaired".

Homeless Delarosa also told officers she hadn't use any illegal narcotics and hadn't had anything to eat or drink, other than a small amount of beer earlier that morning.

She was arrested and transported to the Marion Co Jail, where she was charged with exposure of sexual organs, and later bailed to appear in court on July 14.

COVID kills off sex criminals

RECORDED sexual crimes in Scotland fell by more than a quarter in April compared with the same period last year, figures show.

The Official Statistics report found sexual assaults were down by 46%, with a reduction in the number of rapes and attempted rapes.

The number of crimes recorded overall during the period fell by 18%.

However, the report did show a significant rise in recorded fraud when compared with April 2019.

Reductions were seen in most crime groups during the height of COVID-19 lockdown, with 26% falls in sex crimes as well as fires and vandalism.

There was also a 24% drop in crimes of dishonesty, and non-sexual crimes of violence fell by 14% .

PERV MAKES HIS LLAMA LOOK LIKE KEIR STARMER

STRIKING: Sir Keir

STYLIST: Tom with Llama Keir

ONLY a churl would deny new Labour leader Sir Keir Starmer is a fine-looking fellow.

After years of snaggle-toothed scruff Jeremy Corbyn as the face of Her Majesty's Opposition, it comes as a relief to many to see dapper Sir Keir in the role.

As one Westminster observer said: "At least he looks like he's seen the inside of a Burton's."

But famed camelid breeder Tom Boston takes his admiration for the Labour boss a little further – some would say, too far.

By BARNEY SAMUELS
news@sundaysport.co.uk

For 47-year-old Tom is so taken with the Opposition leader he's styled his favourite LLAMA'S hair to look like Sir Keir's barnet.

And he's named the South American-heritage beast 'Keir'.

Rings

Tom, who freely admits he is a gay, said: "When I see beautifully-quiffed Keir Starmer in the Commons running rings around Boris Johnson I go weak at the knees – what a hunk of a man.

"I decided to style one of my llamas to look just like Keir.

"And I sent a photo of him to the Commons along with a long letter. I'm just waiting for the reply now."

Tom said several people have stopped their cars to admire his Keir in the fields of his farm in Warminster, Wilts.

He added: "Like the real Keir, Llama Keir is a very striking fellow."

But a neighbouring landowner said there's a darker side to Tom's admiration.

The farmer, who has asked not to be named for fears of reprisals, said: "Have you ever heard a llama being bummed? An ungodly noise it is, I tell you."

Slapheads' virus cured by growing babe boobs

GROWING women's tits could be the way to stop blokes dying of coronavirus.

According to new research, bald men could be at greater risk of having serious COVID-19 symptoms.

And as baldness is caused by male sex hormones, some boffins reckon that giving blokes drugs that make them grow boobs could prevent them dying of the virus.

Brown University's Prof Carlos Wambier conducted studies in Spain which found a disproportionately high number of men with male pattern baldness were taken to hospital with coronavirus.

Up to 79 per cent of men with COVID-19 were slapheads.

Scientists have argued androgens – male sex hormones – may contribute to hair loss and increase the ability of the virus to attack cells.

That means hormone suppressing drugs could potentially be used to slow the virus's progress, while female homones – which boost boob growth – would help further.

Prof Wambier said: "We think androgens or male hormones are definitely the gateway for the virus to enter our cells."

DON'T TOSS OFF THE MONKEYS!

WANK FINE: Famous apes must not be touched up

Gibraltar apes get extra protection over COVID fears

By BRAD CHADWICK
news@sundaysport.co.uk

GIBRALTAR is taking steps to protect its precious population of Barbary macaques from the deadly coronavirus – by making it illegal for people to WANK them off.

The monkeys – closely associated with the Rock – are Europe's only population of wild primates.

Now new rules mean that anyone convicted of tossing them off could be liable for a hefty fine of 4,400 euros (£3,900).

Behaviour

An HM Government of Gibraltar spokesman explained: "Interference with Barbary macaques has always been seen as detrimental to them, and the official line has for years been to discourage visitors from touching or otherwise interfering with macaque natural behaviour.

"Not only does it prejudice their health and social structure but the macaques are prone to succumb to human disease. This has been seen in the past when our macaques have, for example, contracted Hepatitis A.

"There is also the possibility of human beings contracting infection through contact with a macaque."

Wanking off a Gibraltar monkey – or Barbary macaque – became a traditional initiation ceremony for sailors dating back to the 18th century after Britain won the Rock under the terms of the Treaty of Utrecht in 1713.

Although officially frowned on, this is the first time it has actually been outlawed.

Now, the emergence of COVID-19 has prompted the Government to take strict measures to prevent all contact – primarily for the benefit of the monkeys, as opposed to humans.

Simians can catch many of the same diseases which people are affected by.

Gorillas, chimpanzees and orang utans were all placed on lockdown along with everyone else to reduce the chance of them catching the illness.

The spokesman added: "This is in order to minimise the risk of their contracting the disease and becoming ill or dying."

Sicko held for having sex with a bus shelter

A MAN has been arrested after being spotted having sex with a BUS SHELTER!

Cops were called to to investigate a report of a man committing an indecent act on the street furniture.

Police say officers arrived, investigated and arrested a man at the scene.

According to reports the man was naked "visibly aroused" and "vigorously humping" the back wall of the shelter.

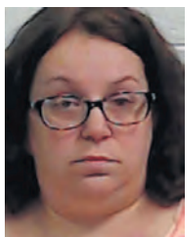
It's believed nobody else was waiting for a bus at the time.

Bradley Stirtzinger, 55, has since been charged with publicly committing an indecent act, breaching a court order and three counts of failing to comply with a probation order.

He is being held in custody pending a court hearing on Wednesday in Cobourg, Ontario – where he committed the obscene act.

A police source said: "Just a couple of months ago there's no way he could have done that.

"His little pecker would have frozen solid to that there shelter and that wouldn't have been much fun for anyone trying to unstick it, least of all him."



Death faker is found at home

A WOMAN who faked her death to avoid a potential 10-year prison term was found hiding in a wardrobe at home after a massive three-day search.

Julie Wheeler (*above*), 45, was reported missing by her husband and 17-year-old son who said she fell over the main overlook at the New River Gorge National River, in West Virginia.

It led to a huge search and rescue mission, with helicopters, sniffer dogs, abseilers and a diving crew – but cops finally found her in the bedroom furniture.

Wheeler pleaded guilty to a £250,000 federal health care fraud in February and faces 10 years in prison.

Now she faces even longer thanks to the fake death scam.

THE brutal police killing of George Floyd shows the USA has a way to go before it reaches even a basic level of civilization.

As people took to the streets to protest police racism and brutality, the nation's leaders reacted by deploying MORE police racism and brutality.

The world looking on has been shocked by images of fat Yank cops bashing their own citizens over the head, firing tear gas at kids and attacking Australian news crews.

Tribute

But the good news is that the whole thing will soon come to an end as dozens of famous celebrities have now bravely spoken out to say that racism is bad, backed up by posting pictures of black squares on their Instagram accounts.

So, we are celebrating their bold stance with a tribute all the famous babes who've spoken out by printing their sexiest ever pictures.

A source said: "Even President Trump can't ignore this. Once he sees how hot the women protesting are he might change tack.

"If he says he will end qualified police immunity and boost police training, we'll know it was because of these boobs!"

Old ladies pelted perv with housebricks

SHOCK: Evans pulled his pud in front of old ladies

TWO elderly ladies on a camping trip pelted a pervert with BRICKS after he furiously masturbated in front of them.

Louketchia Matthews and Tamara Walter were enjoying a cuppa outside their tent when Ace Evans, 48, lurched into view.

The hulking six-foot-three-inch brute approached the genteel ladies and asked them if they had any crystal meth.

When the old dears said no and asked Evans to move on, he dropped his trousers, pulled out his "semi-erect penis" and "began gratifying himself".

The alarmed ladies asked Evans to stop pulling his pud but he pulled out a Stanley knife and yelled: "I'll kill all y'all".

By BRAD CHADWICK
news@sundaysport.co.uk

Fearing for their lives, Miss Matthews and Miss Walter picked up nearby bricks and began pelting the drug-addled oddball, who fled yelping into bushes.

Police summoned by the ladies eventually found Evans hiding in a dustbin in Nashville, Tennessee.

He still had the knife on him.

Evans was nicked and charged with indecent exposure and two counts of assault with a deadly weapon.

He is currently in the lock-up awaiting a court appearance.

A police source said: "This dirty sonofabitch sure weren't counting on these nice little old ladies fighting back.

"Well, he done got a surprise, didn't he?"

Nude nutter given drubbing

A NAKED man attacked bystanders – and got beaten to a bloody pulp.

The 28-year-old, wearing only white socks, streaked across a road and charged a man in a face mask.

The two exchanged punches before others jumped into the fray.

Police in Queens, New York, intervened and hauled the nude nut off to the loony bin.

A spokesman said: "An emotionally disturbed man was transported to hospital for evaluation."

A 55-YEAR-OLD man was arrested after he stripped naked and furiously masturbated in front of a sex shop in Wang, near Munich in Germany.

OAP, 75, held over sex with pet dog

A PENSIONER has been nicked on bestiality charges after having sex with the family dog.

The unnamed man, 75, was reported to the police by his family members who caught him balls-deep in the pet mutt.

Police spokesperson Sabata Mokgwabone said: "It is not yet known what could have led to the incident."

The National Society for the Prevention of Cruelty to Animals said they had been contacted by cops in Mareetsane, near Johannesburg, South Africa.

The charity's Special Investigations Unit guided the following investigation and also dispatched a national inspector to rescue the victim, properly handle scene evidence and oversee the sample collection.

This resulted in the arrest of the suspect.

Meanwhile, the victim of the assault – a young female crossbreed who the SIU have named Liquorice – is recovering.

A spokesman for the NSPCA said: "Liquorice is recovering from the trauma of her ordeal.

"She is under good veterinary care with us and has won many hearts with her sweet and loving nature."

M-way 'assault' man in a pickle

A MAN faces an assault charge after he allegedly struck a motorway worker with a "large pickle" – which was thrown from a moving vehicle.

Cops claim Christoph Herrmannsdoerfer, 34 (*above*), was a passenger in a vehicle travelling on Route 7 in Vermont.

Police say he threw a pickle that hit Carl Hoffman, a 59-year-old employee of the Vermont Agency of Transportation.

The pickle, cops claim, "struck the victim and caused him pain".

Herrmannsdoerfer was later located and cited for simple assault.

He is scheduled for a July 20 appearance in Vermont Superior Court.

Herrmannsdoerfer, who lives in Williamstown, Massachusetts, has multiple drink-driving convictions on his rap sheet.

Little girls do not get up to what she does in Dubai, I bet she's gutted that she can't travel to all those potty parties.

POOR Chloe Khan...

The reality TV star was dragged into an unseemly SCAT row just days after her 28th birthday.

It all kicked off when the former *Celebrity Big Brother* star showed off her ample cleavage and tiny waist in revealing photos.

Chloe – who first found fame on *The X Factor* – posted her snaps on Instagram but when those photos found their way onto the *Daily Mail*'s website, the stunning Yorkshire model became the target for REVOLTING abuse.

Several readers described her as a "Dubai Porta Potty".

For those unaware of what that means, it describes the reported fondness of certain Arab gentlemen to make toilet on attractive young ladies.

Service

And it involves SOLIDS as well as liquids!

It's believed the service was usually provided by some air stewardesses on stopovers in the sandy Emirate – which attracts many newly-wealthy undesirables from around the world.

In recent years, it has been reported that attractive Instagram "influencers" increasingly provide "potty services" for Middle Eastern gentlemen.

But there is absolutely NO EVIDENCE that Chloe allows rich men to do their private duties on her naked body.

Nevertheless, several online trolls took it upon themselves to hurl unfounded allegations.

Fizzdude wrote: "Had to Google what 'Dubai porta potty' was... wish I hadn't now."

LOAD OF SH*T: Website creeps accused Chloe of engaging in practices popular in Dubai

Another wrote: "Bet she's gutted she can't travel to those potty parties".

Chickenchoo claimed: She will let you poo on her."

After Chloe's initial *X Factor* audition, aired in 2010, she was accused of being a prostitute selling herself for sex online.

Chloe's profiles revealed she charged £160 for her services, but prices later increased to £250 and then a whopping £1,000 following her five minutes of fame.

She later denied having been a prostitute, saying she was a "Pay For Party" girl who was paid to spend time with men.

She admitted she had slept with one of the clients but insisted that was "totally separate" and not what she was paid for.

A pal said: "The idea that Chloe would let men defecate on her for money is preposterous."

Gun nutter takes Uber to join Army on streets!

COPS took an armed man into custody in downtown Los Angeles after he tried to pose as a member of the National Guard.

Gregory Wong, 31 (*above*), dressed in attire similar to a National Guard uniform and took an Uber to town while carrying an assault rifle.

He fell into formation with real National Guard troops, who have been brought in to help keep order during some of the looting that has occurred near otherwise-peaceful protests.

National Guard troops noticed him and called over Los Angeles Police Department officers.

Wong, said to be a former member of the National Guard, was held for manufacturing or distribution of an assault weapon.

His rifle was a "ghost gun" – a homemade weapon without a serial number.

He is currently being held on £40,000 bond.

Students granted nude drunk rides

GRADUATING high school students in Denmark have been given the green light to get pissed and NAKED while riding on the back of traditional, heavily decorated trucks.

The decision to allow the annual 'studentervogn' was made with the support of all parties in Denmark's parliament.

Pernille Rosenkrantz Theil, the Minister of Children and Education, said: "I have the happy news for students that, yes, they can ride in a studentervogn.

It was, she said, "a great experience that you have only once in your life", so it was "gratifying" that it would not be banned this year.

The Danish Health Authority had said the drunken truck rides were a step too far in view of COVID-19.

Wealthy farmer leaves entire fortune to his favourite cow... but it was con men in disguise

HERD THE ONE ABOUT THE COW SCAM? Martin (*left*) and (*right*) pantomime beast photo used as evidence in case

By SILAS PRENDERGAST
Rural Affairs Editor

THE bond between a farmer and his beasts is a strong one.

And few bonds were stronger than between Martin Harper and his prize-winning herd of Sussex Red cattle.

Martin's animals became legendary in his home county of Kent and their meat found its way onto the tables at London's finest eateries.

Success brought rewards and when Martin tragically died in a freak grain auger accident at the age of 61, he was a rich man.

Married to his vocation and with no close family, it was a mystery who he'd leave his fortune to.

However, it soon emerged he left the bulk of his £2m estate to Daisy, his favourite cow.

But all was not as it seemed because "Daisy" was in fact two eastern European con men in a pantomime cow outfit.

Scam

And the scam was only uncovered when the brazen pair trotted into a Maidstone bank – in full cow costume – and tried to withdraw £1m in cash.

Eagle-eyed cashiers suspected something was amiss and called the fraud squad.

On Friday Bulgarian brothers Nikolaj and Stefan Andreikov were each sentenced to seven years in prison for fraud.

During their trial it came to light they had killed the real Daisy and sold her carcass to itinerant meat traders for a meagre £40 before taking her place in Martin's herd.

Sneak pulls his pud on home CCTV

A PROWLER was caught on a home security camera furiously masturbating and "humping thin air".

A resident reported the suspect after her home's exterior camera caught the alleged indecent exposure incident, say police.

According to their report, the man could be seen exposing himself and "air humping the area around him."

He was also caught on CCTV looking through neighbours' letterboxes, though police don't believe he stole anything.

A police source in San Antonio, Texas said: "If I'd caught that guy in my backyard pulling his dick, I'd not be catching him on security camera – I'd be catching him in the sights of my Winchester, you bet your ass!"

PROGRESS...

It's supposed to be a good thing, so why is everyone so bloody miserable and angry these days?

Political correctness drove genuinely-funny comics from the telly, made appreciating pictures of pretty girls into a thought crime and banned joking about, well... anything.

And Hollywood legend Britt Ekland put her finger on it when she said that political correctness has even cut JAMES BOND'S balls off!

The 77-year-old played Mary Goodnight in 1974's *The Man with the Golden Gun* alongside Roger Moore as 007.

Bikini

She said: "I'm the proudest Bond Girl there is as there are not a lot of us left, and there won't be any in future.

"The Bond Girl has to look good in a bikini. That was her role. You wouldn't see her in a bikini next to Daniel Craig in a suit today."

Here we look back at the best Bond Girls topless, in the good old days when being sexy was not a sin.

10 things you might not know about MINNEAPOLIS

THE city of Minneapolis in the United States has topped many of the headlines over the past week – for all the wrong reasons.

The death of George Floyd there sparked riots worldwide and shone a spotlight on its police, who have been reminded that black lives matter in no uncertain terms.

But here are a few more facts about Minneapolis that have nothing to do with murderous cops...

1 **ALTHOUGH the biggest city in the state of Minnesota, Minneapolis is not the state capital – that's St Paul next door.**

2 MINNEAPOLIS and St Paul are often referred to as the Twin Cities.

3 **THE name of the city is attributed to Charles Hoag, the city's first schoolmaster, who suggested Minnehapolis, derived from Minnehaha, poet Henry Longfellow's fictional Native American princess from *The Song of Hiawatha*.**

4 DEAD oddball pop singer Prince (*above*) was born and raised in Minneapolis and he learned to suck his own cock in the city.

5 **AROUND three-fifths of the population of Minneapolis is of German or Scandinavian descent.**

6 IN 2012, the Walker Art Center in Minneapolis hosted the world's first Internet Cat Video Festival, which was, well...a celebration of cat videos on the Internet. An estimated 10,000 people showed up for the event.

7 **MINNEAPOLIS sports broadcaster Halsey Hall was the first person to say "Holy cow!" on radio to describe a baseball home run.**

8 THE city has more golfers per capita than anywhere else in the United States.

9 **CHEERLEADING was invented in 1898 at the University of Minnesota in Minneapolis by medical student Johnny Campbell.**

10 MINNEAPOLIS is also home to the Guinness Book of World Records holder for the Quietest Place on Earth – a special chamber at Orfield Laboratories used for acoustics research.

Geordie Shore babe Holly Hagan set for post-COVID I'm a Celebrity...

JUNGLE BOOBIES: Busty Holly looks set to light up our screens and *(right)* how she might look in her jungle hat

By GARY DORAN
gary@sundaysport.co.uk

STUNNING Holly Hagan is set to follow her *Geordie Shore* pal Vicky Pattison and head into the jungle.

The 27-year-old scorcher tops the list of showbiz names that ITV producers are DESPERATE to land, to ensure this year's *I'm a Celebrity... Get Me Out of Here!* is the best one ever.

Telly bosses have targeted some of the biggest and best-loved celebs so that the post-coronavirus camp is packed with explosive action!

Also on the producers' wish list is former *Blue Peter* presenter Konnie Huq, pop star Lily Allen and ex-footie ace Peter Crouch.

Knockers

But TV execs are also keen for some glamour to go with all the drama, and busty Holly has everything they desire – a big personality and even bigger knockers.

An ITV source said: "There is a lot riding on this for ITV. We had to cancel *Love Island*, which is a massive money spinner, we lost the Euros and then we even had to cut down on *Corrie*.

"We need a big hit and that's why we're going all out to get the best ever line-up.

"Holly is great television and Vicky Pattison proved the move from *Geordie Shore* to *I'm a Celeb* can be a lucrative one when she won the series in 2015."

Bosses plan to isolate all the cast and crew for 14 days before filming starts. They will all be tested for coronavirus before entering the jungle and during filming and, subject to approval from Aussie authorities they plan to start filming in October.

Rioter held over punch on cop dog

A MAN was arrested for punching a police DOG while cops were trying to stop him starting a riot.

Jordan Mosby, 29 (*above*), threw items at the windows of two police stations in St. Petersburg, Florida, US.

When no-one would join him attacking the cop shops, he picked up a newspaper stand and chucked it at a Mobil petrol station.

When officers arrived to arrest Mosby, he ran across the street and fought with them.

At one point during the scuffle, he punched a police dog, and then its handler, officers said.

Several cops were needed to take him into custody.

Mosby is facing three charges for battery on a law enforcement officer, one of inciting a riot, and one for punching the dog, authorities said.

He is being held at the Pinellas County jail.

Motorway nude runner was high on 'bad drugs'

A MAN was arrested after running down a motorway stark naked.

Police received a call from a woman saying that her boyfriend was running down the I-20 naked because he had been given "bad drugs".

An officer who came upon the scene in Pearl, Mississippi, was able to detain the nude man until local police arrived.

The man has been identified as Wesley Dwayne Purvis, 31, of nearby Brandon.

His charges include indecent exposure, public intoxication and possession of drug paraphernalia.

Purvis was examined by a medical team and then booked into the Rankin Detention Center by Pearl police, before being given bail.

CORONAVIRUS SURVIVALIST DIES WITH SQUIRREL UP HIS ARSE!

SEX DEATH: Tragic Liam and (*below*) a squirrel

Gillian eases 'em out

SEXY Gillian Langley marked her first visit to the beach since lockdown eased with this sexy snap.

The 32-year-old beauty therapist, of Ormskirk, Lancs, was too shy to get her boobs out in public, so restricted herself to flashing in a car park.

She said: "I was so excited to be out and about – I just wanted to mark the occasion by whipping out my dugs!

"My fella Hugh took this sneaky snap before we got out of the car!"

Perv's untimely end after he took to the woods to avoid virus

WHEN nature-loving Liam Cooper heard the country was going into lockdown because of the coronavirus he took matters into his own hands by setting up camp in a forest.

The 34-year-old homeopathy consultant left behind his home in the leafy village of Norley, Cheshire, and armed with only a tent, a bottle of peppermint oil, a bag of nuts and a water filter he began his new life as a nomad in nearby Delamere Forest.

And no more was heard from him until his best friend Graham Dooley went looking for him when the lockdown eased, and found him DEAD with a squirrel sticking out of his backside.

SUNDAY SPORT EXCLUSIVE
By GARY DORAN

Graham, 32, told *Sunday Sport*: "I spoke to Liam in the days leading up to lockdown and he was convinced that civilization was about to end.

"He said that within a month there would be no electricity, no water and no food.

Self-sufficient

"He wanted to get ahead of the game by being self-sufficient and living in the wild.

"Liam loved nature and I know for a fact he had once read a Ray Mears survival book so I thought he'd be fine.

"But when lockdown eased I wanted to see how he was getting on.

"So I went looking for him – it took two days before I found him, and what I saw will stay with me for the rest of my days.

"He was face down, with his head buried and his arse in the air, with a squirrel lodged halfway up his rectum. I could just see its back legs and bushy tail.

"You could see by the scratches on Liam that it was alive when he put it up there.

"He must have gone a bit doolally in the woods.

"Think of it, unlike the rest of us he didn't have Zoom quizzes, Joe Wicks fitness videos and the ability to spy on neighbours to see if they were breaking lockdown to keep him sane.

"He was alone with only the squirrels for company.

"The daft sod must have befriended one of the critters and then jammed it up his arse as some kind of misguided attempt to commune with nature.

"I suppose it could have been a sex thing, but I'm not sure using a squirrel as a living butt plug could ever turn anyone on.

"Still, as Liam used to say before his tragic passing, it takes all sorts!"

Local weed for local people

SWISS lawmakers who approved a plan to start cannabis trials for recreational use say it must be ORGANIC and grown locally.

The decision to embark upon the trial was set to be made in March, but was delayed due to the coronavirus pandemic.

DEANO ON SUNDAY

In what f**king universe does a mother think this is right?

WHITE, middle-class guilt – what a revolting thing it is to witness.

We witness a lot of it these days thanks to – yes, you guessed it – social media.

And it reached, I think, its nadir last week.

I've been a national newspaper reporter for 25 years and I've seen some pretty horrible things.

But this is really upsetting.

A little girl holding a "black lives matter" placard and the word "privileged" with an arrow pointing to her head.

We've obscured the girl's face – there's no need for *Sunday Sport* to identify her.

The poor little thing only looks primary school age.

I'm not going to name her mum – out of respect for the child.

But I will ask: IN WHAT F**KING UNIVERSE DOES A MOTHER THINK THIS IS RIGHT?

OK, Mum, you may be crippled by guilt that you live a nice, middle-class lifestyle in a nice area while black people are being killed by cops in Minneapolis.

Nobody, NOBODY – apart from a few racist scumbags with genital hygiene issues – could fail to be shocked by what happed to George Floyd.

But parading your OWN CHILD as a powerless prop in your demented virtue signalling?

There are single-cell organisms living at the bottom of my garden pond who could tell you that's a bad idea.

Twatter

What was the point of it? To get some 'likes' on Twatter from your right-on friends?

If you want likes, post some pictures of the f**king cat.

Or was it to show off the nice Minton tiles in your hall? How the f**k should I know how these people's minds work?

I can understand black people in America being furious about what happened in Minneapolis.

African-Americans have had the shitty end of the stick in the US since that country was born.

I can understand black people in this country being angry. We're not immune to the poison of racism in this country either.

But on both sides of the Atlantic, well-off white people are using the black community's pain and anger as an excuse to parade their own right-on credentials.

If they really wanted to show "solidarity", how about giving ALL their wealth to disadvantaged black people.

No. Thought not.

SICKO SELLS FRED AND ROSE COVID SEX MASKS

WEST LIFE: Couple enjoy romp in new face masks

Public warned they DO NOT protect against virus

ENTREPRENEUR: Piers Harper

IT has to be one of the oddest pieces of advice offered by boffins...

Couples should now wear FACE MASKS while having sex during the COVID-19 pandemic, according to a new study from researchers at Harvard University.

The scientists have also warned kissing during coitus should also be avoided.

If the thought of wearing a bankrobber style bandana is not bad enough – look what one crafty sicko has come up with....

Fred and Rose West sex face masks!

Oxford University graduate Piers Harper started knocking out the sick face coverings on Thursday and the tricky toff reckons he's already shifted almost 2,000 sets.

By JOHN DEWHURST
news@sundaysport.co.uk

Harper, 26, drawled: "Fred and Rose are big romantic icons – like Romeo and Juliet or Mills and Boon, only a bit more murder-y.

"What better way to get in the mood than having a legover with your partner wearing a Fred or Rose mask?

"And they also guard against COVID-19".

Harper says he is planning Fred and Fred masks for the gays and Rose and Rose masks for lesbian lovers.

But despite his true commitment to diversity, Harper could be selling DEATH TRAPS.

Because independent analysis commissioned by *Sunday Sport* found the masks are almost USELESS as a germ barrier.

Prof James Linklater, of the University of West Lancashire, said: "These are simply paper masks held on with a bit of elastic.

"In the heat of passion, they would fall apart."

It is currently illegal in England to have sex with anyone who does not live in the same house as you – even with a mask on.

But in the US, where it's not forbidden to sleep with someone outside your own house (although it is banned in many states to socialise with anyone you don't live with), scientists are advising taking precautions like face masks to minimise the risk of spread.

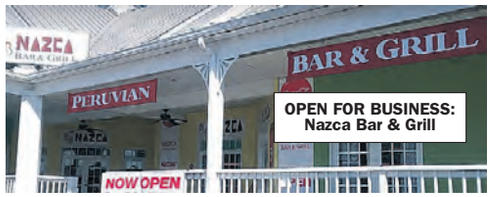
Diner hosted lockdown orgy

A DINER forced to close by anti-COVID laws reopened secretly and hosted a drug-fuelled ORGY, cops say.

When Florida Governor Ron DeSantis ordered restaurants and bars to stop in-person sales in March, Peruvian Nazca Bar & Grill in Tampa appeared to step into line.

"Here at Nazca Bar & Grill we are fully committed to the health and well-being of our customers, staff and their families," the restaurant said on Instagram on March 20.

But when officers called, the drinks at Nazca's bar were flowing – cash-only sales of alcohol – along with cannabis and SEX.



OPEN FOR BUSINESS: Nazca Bar & Grill

When cops knocked on the front door up to 70 people fled via the back door, while others who'd been having sex upstairs hid in an storage area where more weed and £8,000 in cash were found.

The state Division of Alcoholic Beverages and Tobacco found that licensee Eric Alcalde was operating an illegal weed dispensary and allowed a crowd to gather there during the pandemic.

He faces a charge of refusing to admit an officer and a warning for violating the state order closing restaurants.

Girl stabbed her fella to death when he refused to BUM her

CHARGED: Terin Stately is accused of killing her lover after he declined anal romp

A FEMALE porn fan stabbed her fella to death because he refused to have ANAL SEX with her.

Terin Stately, 32, is accused of killing her boyfriend 27-year-old Keanen Poitra.

Cops who responded to a disturbance in Fargo, North Dakota, after neighbours reported hearing raised voices and then "bloodcurdling screams", found Poitra with a serious stab wound.

He was taken to the hospital where he was pronounced dead.

In a statement, police said: "Officers were sent to a disturbance in the 1600 block of 33 Ave. S.

"They arrived on scene to find a male victim, identified as Keanen Joseph Poitra, with a serious stab wound. He was taken to a local hospital where he was pronounced dead.

"Investigators detained Keanen's girlfriend, Terin Rene Stately, and after investigation, she was arrested for murder.

"This case is still under investigation and no further information can be released at this time."

By BRAD CHADWICK

However, an insider said: "When we got there, this lady was in a hell of a state.

Ass

"Of course, she was covered in blood, but she was just repeating, 'I only wanted it in the ass. I wanted him to f**k me in the ass.

"Well, these officers, they've seen it all, but this was a first for them – a young lady coming out with this kind of language."

It's believed the couple were watching a porn video called *Butt Raiders #14* when the heated debate over anal nookie kicked off.

Our source added: "Sounds like she was quite a livewire, this young lady. I can only imagine my wife's face if I brought home a movie like that.

"It'd be supper in the garage for me and that's no doubt."

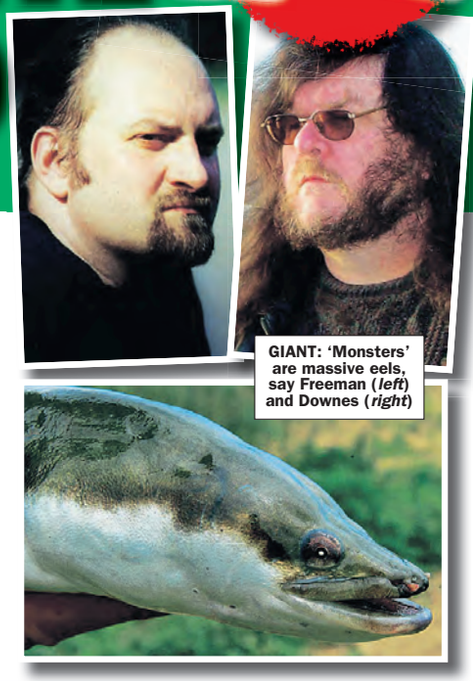
BRITAIN'S MONSTERS OF THE DEEP

REAL LIFE X-FILES



GIANT: 'Monsters' are massive eels, say Freeman (*left*) and Downes (*right*)

WHEN it comes to mysterious water creatures, Scotland's own Loch Ness Monster is the world's best known.

But Nessie isn't the only colossal creature lurking in Britain's lakes.

Shadowy leviathans have been spotted all over the UK.

While sceptical scientists have distanced themselves from the age-old dinosaur theory, they do accept that there IS something down there, just waiting to be discovered.

You'd be forgiven for thinking that the Loch Ness Monster had died a death years ago.

The most famous image of this elusive animal was taken in 1934 by surgeon Robert Wilson, who'd apparently spotted the beast while driving around the loch's north shore.

The black-and-white snap shows a serpent's head rising from the waves and for decades was offered as tantalising proof of Nessie's existence.

Except the photo didn't actually show an ancient Plesiosaur, as some thought – a dinosaur landlocked millions of years ago while the rest became extinct – it simply showed a toy submarine outfitted with a fake head and neck!

The hoax was revealed in 1994 when Christian Spurling – one of the chaps who helped perpetrate the scam – admitted so on his deathbed, aged 90.

Bunkum

"Well, that's that, then", said non-believers.

"Nessie is bunkum".

But that's not the whole story because Wilson's wasn't the only photo of the monster, and Nessie isn't even the only monster in the UK.

Sightings of 'water horses' or 'kelpies' date back centuries.

One story from 565 AD even suggests Nessie has KILLED humans.

The account tells how an Irish missionary stumbled upon a group of people who had just buried the victim of a fatal Nessie attack in the River Ness.

By NEIL GOODWIN
news@sundaysport.co.uk

A horrifyingly similar story comes from Loch Morar, another huge body of water on Scotland's west coast.

In August 1969, Duncan McDonnell and Bill Simpson were fishing on the loch in a little motorboat.

Startled by a loud splashing behind them, they turned around to see a large object underneath the water, which proceeded to ram their vessel.

Simpson was so frightened he reached for his shotgun and fired at the beast, which he later described as being 25-30ft long, with three large, black humps and a snake-like head.

Move south, across the border into England's Lake District in Cumbria, and 'Bownessie' is said to stalk the murky depths of Windermere.

The most recent run-in there came last year, when respected scientist Matt Benefield saw – and managed to photograph – a disturbance on the eerily-calm water.

The 43-year-old said: "Ripples in the water got me thinking there was possibly something strange in the Lake. I have no idea what it is – I simply can't explain it."

EVIDENCE: A sonar reading from Lake Windermere showing that something is down there

Evidence

And then there's the sonar evidence.

Over the years, countless monster-hunters have trawled Loch Ness with high-tech echolocation gear and some readings were hard to explain.

In May last year, a luxury cruise-vessel called the Jacobite Queen picked up an unidentified object – something huge and long – in the water during a routine tour.

Go back to 2012 and skipper Martin Atkinson saw a long "serpent-like creature" on the sonar he uses to find shoals of fish.

Atkinson, 46, said: "The object got bigger and bigger and I

thought 'bloody hell,' and took a picture with my mobile phone.

"There's nothing that big in the loch. I was in shock as it looked like a big serpent.

"You can't fake a sonar image."

So what IS going on down in the depths of British waters?

Astonishingly, humungous EELS are responsible for most of the 'monster' sightings, according to many top boffins.

Richard Freeman is the Zoological Director of the Centre for Fortean Zoology and a former headkeeper at Twycross Zoo.

He said: "The idea of a prehistoric reptile in these cold, northern lakes is a non-starter. But the monsters could be some kind of large eel.

"The common eel swims out to the Sargasso Sea to breed, then die. The baby eels follow scent trails back to their ancestral fresh-water homes and the cycle begins again.

"Sometimes a mutation occurs and the eel is sterile. These stay in fresh water and keep on growing.

"Known as 'eunuch' eels, no-one knows how old they get, or how big."

Freeman's colleague at the CFZ, Jon Downes, added: "European eels are not supposed to get bigger than four feet, but in a large body of water like Windermere or Loch Ness, a specimen of up to 12ft could be living."

In February 2004, two Canadian tourists came upon a 25ft eel floating in the shallows of Loch Ness.

At first they thought it was dead but when it began to move they beat a hasty retreat.

Caught

In the 1980s, a 20ftt eel was reported in the Birmingham Ship Canal.

Another 20ft eel was reportedly caught in the cooling system in some aluminium works in Dores, a village south of Loch Ness.

One theory suggests that these rare, naturally occurring mutations may now be on the increase due to pollution.

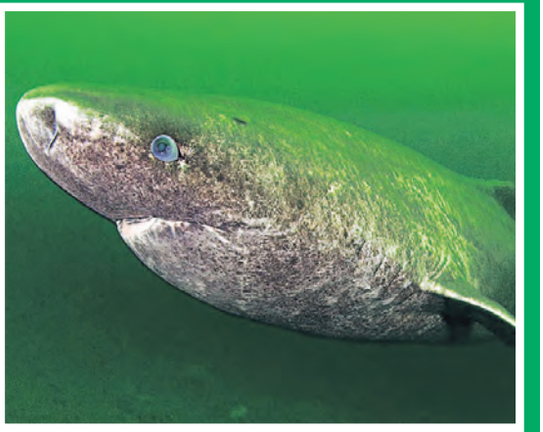
So our water monsters might not be ancient creatures, but they really DO exist...

OTHER EXPLANATIONS

DEER

THE Highlands of Scotland are teeming with red deer and it's not unknown to see them swimming across lochs.

Some argue the deers' large backs and protruding heads could be mistaken for a monster.

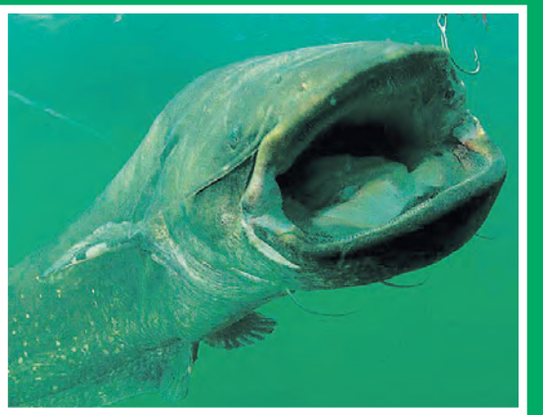


GREENLAND SHARK

IN 2013, extreme angler Jeremy Wade visited Loch Ness as part of his *River Monsters* TV series.

He reckons the 'monster' could be a 25ft Greenland Shark – a whopper capable of eating polar bears.

Wade thinks the sharks could swim in to the loch through the River Ness as juveniles before growing to an incredible size.



WELS CATFISH

WELS catfish is a hungry carnivore and can live for 100 years, grow to 15ft long and weigh 750lb.

They were introduced into British waters in the 1870s and feasibly let loose in the Highlands.

They've been blamed for taking ducks, geese and even swimming DOGS from the surface of the water.

And they will also attack humans if irritated.

Gracie: I want to get hot and steamy

By WENDY THOMAS
news@sundaysport.co.uk

WANT to know what Gracie Lewis has been missing most during lockdown?

The 27-year-old babe from Manchester said she loves a sauna, but her local gym is shut and the closest she's got to getting steamy is in the bathroom at home with the hot tap running.

The 32E stunna said: "It is so nice having a hot sauna. You can feel your muscles relaxing and all the grime of the city is sweated out of you.

"No wonder those Scandinavians always look so glowing and healthy – it's all the saunas they have!

"It's probably why they're always shagging, too – saunas make me quite frisky.

"I've never had sex in a sauna but I have done it in a hot tub. But that's a story for another day…"

My perfect Sunday...

Ellie Taylor, 19, 34A, from Milton Keynes

SUNDAY Sport SEXY BACK END!

ELLIE: I'M GAGGING FOR JUST DESSERTS

By WENDY THOMAS
news@sundaysport.co.uk

PERT-boobed Ellie Taylor has confessed she loves being blindfolded and handcuffed in bed.

The kinky stunna, who boasts perfect 34As, said it maximises the pleasure from shagging sessions.

But recreating *Fifty Shades* isn't how the pretty 19-year-old would spend her ideal Sabbath.

Her perfect Sunday WOULD be quite naughty, though…

The Milton Keynes beauty said: "There's a places called Treat Street near where I live. It's near the MK Dons stadium and it's a restaurant that just serves desserts!

Salivating

"You name, they've got it – waffles, ice creams, pancakes… oh my God, I'm salivating just thinking about it!

"It's only doing takeaway at the moment because of this bloody lockdown thing.

"But when they reopen for dining in, I'm going to have a go at working my through the whole menu one Sunday.

"Now, THAT'S perfection!"

LEGENDS OF PORN

REAR-LY HOT: Natalia enjoys sizzling action

PART 110 NATALIA QUEEN

Natalia Queen was born on September 2, 2000, in a small town in Tennessee.

By PENNY MARSHALL
news@sundaysport.co.uk

Boasting gorgeous 28C tits and a magnificent ass, Natalia is a fan of roses and had them tattooed behind the ear and on her left leg.

She lost her virginity with her boyfriend in the middle of the day in the park by the river.

Just after she turned 18, Natalia made her Premium Snapchat profile, where she was filming solo and scenes with her boyfriend.

In the second half of 2018, she moved to the porn valley – San Fernando in California.

Her decision was supported by Natalia's mother, who just said to her: "You have balls of steel."

So far, this lovely girl has been in front of the camera over 30 times – performing in solo, lesbian and hardcore scenes.

Her experience in masturbating from her private life is beautifully transferred to the screen. She masturbates two times a day at least and she loves to use a dildo or a wand.

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to two girls from Lincoln...

FAVE SEX POSITION

CORINA: I like the good old missionary, to be honest. It's just because I'm very lazy and I want someone else to do all the work.

I love having sex but it can be a bit knackering, so I just like to lie there and let the man tire himself out.

ESTHER: You are so lazy, I can't believe it! You can't be lazy during sex, it's too much fun – and great exercise. I like doggy-style best.

CORINA: Why?

ESTHER: I think the man can get deeper and it feels so good. I like all the positions but I just think it's so horny to be taken from behind.

ONE-NIGHT STANDS

CORINA: Oh, blimey I've had a few. I like them a lot. The best ones are probably the ones that last all night and go through to the next day.

There was this hot guy I met in a bar and he took me home and we were at it for day. Literally, we just couldn't stop having sex.

It was wild, hot sex with a total stranger and I loved it.

ESTHER: That sounds great. I've had some random ones, some of which have been very horny.

I met this one bloke in a club and we just had to have each other right there. So we went outside and did it on the bonnet of a car.We set the car alarm off but we didn't care. It was wicked!

CORINA: The best thing about one-night stands is that if they're crap, you don't ever have to see the bloke again, and not feel bad about it.

WORST SEX EVER

ESTHER: I've had a few bad times. The most disappointing ones are with the boys who talk a good game and say they are great in bed and then turn out to rubbish.

There was this one guy who talked dirty to me and when we did it he was shy and a real letdown. Don't talk the talk unless you can walk the walk.

CORINA: Mine was with this bloke who had the most microscopically small dick I have ever seen. You could barely see it, it was embarrassing.

We started having sex but I couldn't feel anything, so I threw him out.

ESTHER: How small was it?

CORINA: It was tiny, honestly. You could barely even see it even when it was erect!

LESBO LOVING

ESTHER: Have you ever wanted to sleep with a woman?

CORINA: Absolutely not. I can't think of anything less of a turn-on than licking another girl's clit. I'm too into cock.

ESTHER: I agree but I do find some women attractive.

CORINA: Yeah, so do I, and I have kissed other girls when I've been drunk, but I don't think I could have sex with them.

ESTHER: I've snogged girls for a laugh too, but I didn't want it to go any further. I don't fancy women, and there are too many men to choose from, so I don't see how I will ever need to turn to a woman for sex.

CORINA: Yeah, men are much better. But if you absolutely had to though, who would it be with?

ESTHER: Selina Gomez. She is exotic and fit. She oozes sex appeal.

CORINA: Mine would have to be Lana Condor. She is so hot. She looks like a dirty girl and would probably be a real handful in the bedroom.

WILLY SIZE

CORINA: My ex-boyfriend had a massive one. It was huge. It was so much bigger than anything I have seen since. We're talking 10 inches, and it was fat too. It felt so good.

ESTHER: I've seen some big ones in my time, but not that big. Do you think size matters?

CORINA: Actually, not at all. I've slept with guys with small knobs and it has felt good. They need to know what they are doing.

ESTHER: Yeah, although I find that girth matters. Skinny dicks are not the best. If they are long but skinny I don't feel that much. Give me a fat one any day.

And you're right about knowing what they're doing. If a guy knows his foreplay and presses all the right buttons, it doesn't matter much how big his dick is. Make me cum and I don't care!

> **The great thing about it is you've got a front hole spare to put things in...like a dildo!**

BUM FUN

ESTHER: Have you ever tried anal sex?

CORINA: Yeah, once but not since. I did it with that boyfriend who had the extremely big cock and I wanted to give it a try. But I guess I was too nervous and couldn't relax, so we had to stop.

We had another go later. We must have used a whole tube of lube and it took an age to go in. He liked it but I didn't cum.

ESTHER: You shouldn't let that single bad experience put you off.

CORINA: You're probably right. I like having a finger up there during sex anyway.

ESTHER: I love it! I was a bit scared the first time I tried it, but once we'd got the hang of it we were rutting away for ages. The great thing about it is you've got a front hole spare to put things in...like a dildo!

BEST SEX EVER

ESTHER: I bet you've had some exciting sex in your time, what's the best ever?

CORINA: I had amazing sex on a train to London once. I was with this bloke and he said he was horny, and I was too, so we just did it right there.

ESTHER: Were there other people on the train?

CORINA: No, just a couple at the other end of the carriage, but they must have heard us going at it. I know I can be quite noisy during sex.

It was hugely exciting and I was so turned on. We did it twice on the journey. It was a great time killer.

We did get a lot of funny looks from people when we got off the train but what we'd forgotten about was all the CCTV cameras – someone must have enjoyed watching us on the job. We never heard anything about it though, thank God!

ESTHER: I like doing it outside because the thought of being caught in the act is really exciting.

I had great sex with a guy on a beach on holiday once, but the most excited I've been was with a bloke who I had sex with in a club.

CORINA: In the toilets?

ESTHER: No, by the dance floor! Loads of people could see us. Some of them clapped!

FANTASIES

ESTHER: Have you ever lived out a sex fantasy?

CORINA: I was with a friend of mine and feeling horny so I just dragged him into a car park and had sex right there. I love spontaneous sex and when I'm horny I need to have it right away.

ESTHER: You're a bit of a nympho.

CORINA: Shut up! Anyway, so are you.

ESTHER: Yeah. I was once at the gym in the Jacuzzi and my gym instructor walked past. I just grabbed him and pulled him into the water and had him right there. It was so hot, I felt amazing.

SPIT OR SWALLOW?

ESTHER: Swallow. It seems a bit rude not to. If it was the other way around I would expect the person to swallow.

CORINA: What, if you had a cock?

ESTHER: No, you know what I mean. It just seems wrong to spit.

CORINA: Yeah, half the fun of going down on a guy is him cumming in your mouth, I enjoy it.

ESTHER: It doesn't taste too bad either.

SEX TOYS

ESTHER: Have you got any sex toys?

CORINA: Yeah, the Silver Rampant Rabbit is amazing. Those pulsating bunny ears just drive me wild.

ESTHER: I've got one of them. They're good but no substitution for a man.

CORINA: Yeah, give me a real cock anytime.

BOOBS ON THE BOX

BRITAIN'S ONLY NAKED TV GUIDE

with SIMON DEAN

TODAY

Sony Movies Classic, 11.45pm, *Wall Street* – SUZEN Murakoshi and her man exit the bed, and although her bared bunnage and full-frontlage are dark, dark nudity – at 13 mins – it's better than no nudity at all.

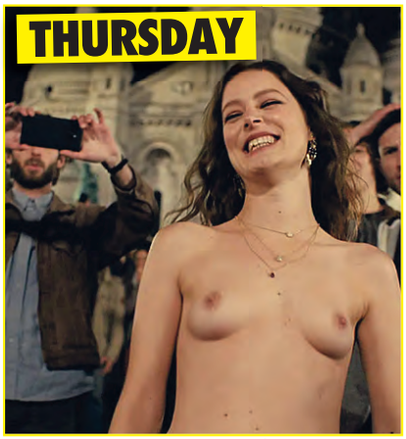
WEDNESDAY

Horror Channel, 2.30am, *Gallowwalkers* – ALYSSA Pridham shows off a lot of tit in one scene but, alas, I have no timings for it.

TOMORROW

Horror Channel, 12.50am, *The Facility* – STROBE lighting illuminates a room at just past the hour mark, where Skye Lourie is nude and bloody – and showing her busters.

THURSDAY



Film4, 12.05pm, *The Take* – STÉPHANE Caillard does a topless walk down some very public stairs at just one minute, laughing before the camera pans and shows off her butt!

TUESDAY

Sky Movies Action, 12.05am, *Pistol Whipped* – YES, this one's come around again. Does Steven Seagal not charge royalties for his movies now he's a Russian? Is that making his movies cheap to screen? Anyway, Fast Ali's teats at 49 minutes.

FRIDAY

Sony Movies, 9pm, *The Beach* – THE delightful Virginie Ledoyen shows off her damp breasts again in this Leo DiCaprio flick about some beach in Thailand. Fifty-one minutes is where you can spot 'em.

TOMORROW

Sitting In Limbo – BBC1, 8.30pm

AFTER living in the UK for 50 years, Anthony Bryan is called in by his manager at the care home where he works and told she has received a letter from the Home Office claiming that he has no right to work in the UK and is suspending him.

A few months later, immigration officers arrive at Anthony's front door and he is put into a van and taken to a detention centre in Dorset.

Drama based on a story from the Windrush scandal, starring Patrick Robinson, Nadine Marshall and Pippa Bennett-Warner.

It takes a princely sum to live here!

Inside Monaco: Playground of the Rich – BBC2, 9pm

NEW series. Fred Sirieix narrates a documentary giving an insight into the principality on the French Riviera, with access to the royal palace as well as the super-rich and those who serve them.

In the first edition, director Michael Waldman explores how this extraordinary country operates, meeting everyone from Prince Albert (*right*) and his staff to wealthy widow Monika Bacardi, who takes him on a tour in her chauffeur-driven classic Rolls-Royce.

He also goes track side with ex-Formula One driver David Coulthard and team owner Eddie Jordan during the Monaco Grand Prix.

OF THE TELLY

By BARNEY SAMUELS

And don't forget two world wars!

World Cup Final '66: England v West Germany – C4, 1.30pm

A CHARITY re-run of the entire 1966 World Cup final, to raise money for the National Emergencies Trust's Coronavirus Appeal, giving viewers the chance to watch the most iconic match in English history with Sir Geoff Hurst, Gabby Logan and a host of star guests.

This programme includes special colour film footage of the event which, first time around, attracted 32.3m TV viewers, making it the highest rated UK television programme of all time.

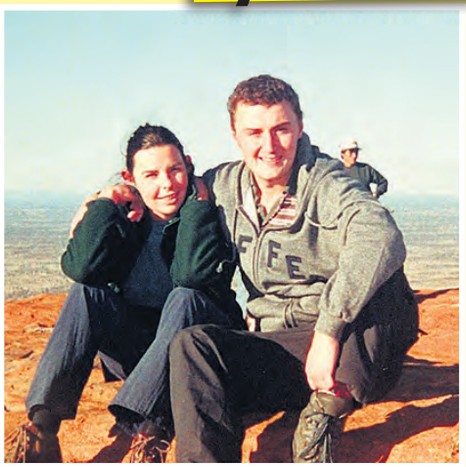
See that controversial 'did it cross the line? goal and Hurst's 'they think it's all over...it is now!' corker.

Long Lost Family: Born Without Trace – ITV, 9pm

DAVINA McCall and Nicky Campbell present the stories of people who were abandoned as babies, helping them try to find their birth families and know their identities.

David McBride was left in a car as a two-week-old infant in January 1962, while Helen Ward was left in a tartan bag in a telephone box in Dundalk in 1968.

Amazingly, Nicky and Davina are able to piece together some of their histories and, up to a point, give some possible reasons why they were both abandoned.



Murder in the Outback: The Falconio and Lees Mystery – C4, 9.15pm

NEW series. Documentary examining the killing of British tourist Peter Falconio in Australia's Northern Territory in July 2001, exploring the details and questions that surround this infamous case.

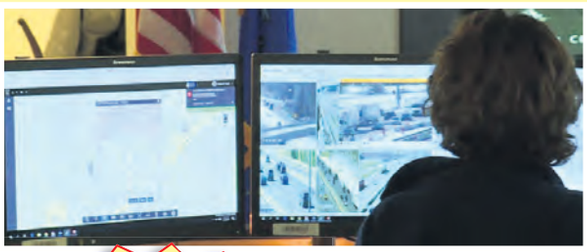
In this first episode, Andrew Fraser, formerly one of Oz's foremost criminal defence lawyers, begins the reinvestigation into the story, visits the Outback crime scene and speaks to a leading forensic scientist and witnesses from the time of the murder, who raise serious questions about evidence in the case.

TUESDAY

Unbelievable Moments Caught on Camera – ITV, 9pm

NEW series. Alexander Armstrong presents a selection of extraordinary eyewitness footage filmed by members of the public, including the heart-stopping story of a man who took a 'pleasure flight' on a hang-glider.

Two passengers on board the Viking Sky cruise ship that suffered engine failure in rough seas just off the coast of Norway recount how they were left fearing for their lives, while a heroic cop throws the rulebook out of the window when trying to save a baby's life on the roadside.



Shocking Emergency Calls UK – C4, 9pm

A CHILLING call from an online predator in Essex leads to a confession of brutal murder, and in north London, emergency services respond to a horrifying incident after a van deliberately driven into a crowd outside a mosque.

Elsewhere, a harrowing call is taken in the aftermath of a frenzied acid attack by a woman on her partner in Bristol.

DON'T MISS THIS!!!

Sex in Lockdown: Keep Shagging and Carry On – C4, Friday, 10pm

A MIX of faces from across the nation join Anna Richardson as she gets to grips with all things love, sex and romance, delving into the ways sex in Britain has altered since its people have been ordered to stay indoors.

She also reveals the results of a specially commissioned survey to find out exactly what the Great British Public have been getting up to during lockdown.

MY ASSETS WILL BLEU YOU AWAY!

By JAYNE FERGUSON
news@sundaysport.co.uk

AMAZING Alice Bleu has an eye-popping pair of knockers... which she happily whipped out for this hot photo shoot.

The beauty, from Maidstone, Kent, might have a slim frame but she boasts an almighty pair of 32GG boobs.

In fact, her lucky fella can't seem to get enough of her mammoth mammaries and always finds an excuse to help her out whenever she's topless.

Alice, 24, said: "There are some downsides to having such big boobs.

"But my boyfriend doesn't mind giving me a hand in the bath – he seems to like getting me all nice and soapy!

"In fact, he's always quite keen to help me out whenever my boobs are involved.

"Funny that, isn't it?"

Ellis gets her tatts out for the lads

By WENDY THOMAS
news@sundaysport.co.uk

PRETTY Ellis Cooper has got lovely TATTS – and loves showing off her inked bits!

And it's a good job, too, because the 34D beauty has some of the best we've ever seen.

But Sunderland-born babe, 21, who now lives in London, doesn't think she'd ever have got into glamour modelling if it wasn't for her body art.

She said: "I'm not sure I'd be in this industry if I didn't have my tattoos.

"Despite tattoos being very fashionable it's hard to gain the fan base as they're not necessarily to everyone's taste.

"But I've only ever had very positive and lovely feedback from people – especially from women."

THE WORLD FAMOUS AGONY Page

Dear Lexi,

MY wife makes the teas for our local cricket club every time they play a home game.

One night I filmed her on my mobile, in her sexy undies, slowly stripping and then sitting on my knob. Then I flipped her over and she was screaming for me to give it to her as I pounded away.

Last weekend I proudly showed this film to the lads and when my wife came out with the teas they were asking for a repeat performance. And she said she would – if we won.

And after we hit the winning runs the wife came in the showers, stripped naked and sucked off every member of the team.

They now want her to do it again if we win a final in two weeks.

What should I do?

CH, email

Lexi says...
I'M stumped. Maybe you should throw the match this time. And your cricket mates need to grow up!

Dear Lexi,

I WAS out clubbing last month when I pulled a babe who wore tight leather shorts, boots and a skimpy top.

We went back to my place and she soon had my knob out and was sucking me off. Just as I was about to blast off, she got on my bed and told me to f**k her.

It was brilliant as I knobbed her doggy-style and she nearly screamed the house down.

The next time she came round she wore naughty nurse's gear and tied me up before riding me for another incredible shag.

But when I suggest we start dating, she said she just wants sex since splitting with her last long-term boyfriend.

Any advice?

ER, north London

Lexi says...
GIVE her time – she'll change her mind eventually. Women always do!

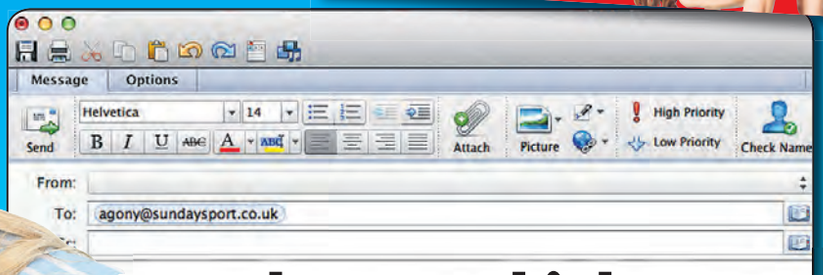
SUNDAY Sport SEXY BACK END!



Workmates think I'm a naughty nymphomaniac

Dear Lexi,

I'M a 26-year-old woman and I've just split from my lover after I found out he was cheating on me with my best friend.

Since then I've had lots and lots of horny men in my bed.

In fact, I must have had about a dozen lovers in the past three months.

The first one was a mutual friend who goes to the same pub as me and my ex.

I had never fancied him before, but when I went in that night I made a bee-line for him and ended up taking him back to my place.

Stiff

Once inside I told him to strip off and stood there admiring his stiff cock.

It was at least eight inches long and featured a beautifully veined shaft that I just knew would make me scream in ecstacy once it was inside me.

I went down on him, sucking and nibbling his cock as he sat totally gob-smacked on the sofa.

I used my hand to gently massage his balls as my mouth gobbled away.

I teased him by bringing him to the brink of ejaculating in my throat before jumping to my feet.

I slipped my clothes off and began rubbing my nipples and fanny – gently inserting two fingers into my moist pussy to make sure he was really up for rogering me senseless.

Then I bent over a coffee table, spread my thighs wide and urged him to take me from behind with everything he had.

Seconds later he was thrusting deep into me doggy-style – and it was amazing!

He grabbed hold of my hips to steady himself as he bucked and f**ked me silly.

I orgasmed three times before he grunted and shot his man muck up me.

The next day I felt ashamed at my behaviour, but when I rang my closest girlfriend and told her she said I had every right to have fun.

It made me determined to have as many blokes as I wanted.

And that was just the start.

But now I'm worried that I have turned into some kind of nympho and I just can't seem to get enough nookie.

Toilet

The other day I heard two work colleagues talking about me over the toilet washbasins while I was in a cubicle.

One said I was an utter slag and she had heard loads of stories about me being desperate for cock all of the time.

The other one agreed and said she wouldn't trust me around her fella.

This upset me and now I'm in a fix because, although I enjoy sleeping around, I don't want to end up with a bad reputation.

Please help me.

LS, Reading

Lexi says...

IF you were a fella, you'd be a hero. Don't listen to your sad workmates – they are just jealous.

But be sure that all these guys you're sleeping with take proper precautions please.

Get out there and live life!

Lexi says... THAT'S British weather for ya!

Nikita's fisting the night away

LOCKDOWN must really be getting to porn star Nikita Bellucci...

When *Sunday Sport* called her up, she yelled down the phone: "I need some cock up my ass... right NOW!"

The 25-year-old French fancy has starred in some of the wildest porn movies ever made and has even taken part in eye-watering DOUBLE anal scenes.

By WENDY THOMAS
news@sundaysport.co.uk

But with XXX filming strictly off-limits because of the virus, 33C Nikita is certainly missing a good rear-end shafting.

She told us: "Last night I fisted own ass, I was desperate.

"Can you imagine? I almost sprained my wrist trying that sex move!"

LENN EYES UP TOP 10

CELTIC boss Neil Lennon is already targeting a 10th title in a row — and he wants the club's fans there to see it.

The Hoops made it nine in a row when the Scottish season was called off last month. It looks like the next campaign will start in August. And he hopes to see spectators in the stadiums by then.

Lennon said: "This is momentous. It comes round once in a lifetime and I want this generation of supporters to be a huge part of that, as they always are.

"I want them to play their part in it and we want to play our part in entertaining them and making them proud of us.

"To have the fans backing us all the way — it's going to be a hell of a ride."

UNITED ROLL IN RAUL

MANCHESTER United could sign Wolves hitman Raul Jimenez for a bargain price of just £20m.

The Molineux men want to cash in on the Mexican who has just turned 29.

Despite his 22 goals and 10 assists this season, boss Nuno Santo would be happy to sell at the end of the season.

United are looking for proven talent in attack and would jump at the chance to sign Jimenez who moved to Wolves two summers ago and has scored 38 times in 88 games for the club.
